A MOTHERS' DAY GIFT

Tiny 4 lb. 8 oz. Helena Burchett lies unconcerned in the Humicrib as her mother Helen receives a Mothers' Day gift from Mrs. Wilma Verlander, president of the Altona District Hospital Ladies' Auxiliary. Mrs. Verlander accompanied by Auxiliary secretary, Mrs. Dulcie Shaw (left), distributed attractively wrapped gifts of face soap and handkerchiefs to each of the mothers in hospital on Sunday.

As yet Helena's father, Mr. Raymond Burchett, is not aware of his daughter's premature arrival. He is a merchant seaman on the seas somewhere in the vicinity of France and is expected home in June.

Mrs. Burchett has been discharged from hospital and returned to her home in Brooklyn but Helena is not expected to be discharged for a further three or four weeks.

Some time ago the Auxiliary gave this Humicrib to the hospital.

Last week further funds were raised at a Bessemer ware coffee party held at the home of Mrs. A. Tyrrell. Coming auxiliary functions include a luncheon and apron party on May 27 at Koorringal Golf Club and the annual Dinner Dance in July at the Fiesta.

COUNCIL HONORS LITTLE ATHLETES

Competition winners from the Altona Little Athletics Centre attended Altona Council on Tuesday to receive award certificates from the Mayor, Cr. P. A. Burns.

Making the presentations, Cr. Burns said the Little Athletics Centre had helped put Altona on the sporting world map, had contributed much to the children who competed, and had brought much happiness to their parents.

"The council is proud that these boys and girls bring honors back to Altona," he said. "I am sure they are going to continue to bring back honors to our city as the years pass."

Individual performances were made to Paul Curran, of St. Mary's School, the Victorian champion in the Under 10 400 metres, and Garry Thompson, of Altona North Primary School, who was second in the State Under 11 800 metres walk.

Team performance awards went to the Boys' Under 9 & Under 10 100 metres relay teams and the Girls' Under 11 400 metres relay team.

Members of the winning teams were: Boys' Under 9, D. Murphy, P. Fry, G. Burnett, N. Condon; Boys' Under 10, M. Dennerley, G. Bone, S. Bazga, P. Curran; Girls' Under 11, R. Osborne, J. O'Connor, K. Cheswright, N. Wittma.

Cr. R. K. Richards, who holds Altona's Local Organisations portfolio, assisted Cr. Burns with the presentations.

TRIBUTE

Altona Council stood in silence for a minute on Tuesday as a tribute to the late Mrs. H. R. McIntyre, who died on May 1.

"The Council knew Mrs. McIntyre as a tireless worker with many and varied interests in the city," said the Mayor, Cr. P. A. Burns.

"We share the loss with the community and Mrs. McIntyre's family."

WRONG WAY

Altona Council will demand that its sanitary contractor stop driving trucks on the wrong side of Millers Road.

Cr. W. Sommers told Council he had received two complaints that sanitary trucks were being driven on the wrong side of the road.

"I know this is a police matter, but it reflects on the Council," he said. "There's been enough accidents on Millers Road. Three people have been killed so far this year and there was another bad accident on Saturday night."

Soccer Club Plans Sports Centre

REPRESENTATIVES of the Altona North Soccer Club will be invited to attend Altona council's general purposes committee to discuss the club's proposals to build an Italian sports centre on the P. J. Lynch Reserve.

Mr T. Lavarto, club president, told council the club intended to build "something better and greater, so as to attract attention not only of Altona people, but other people in neighbouring areas".

The club plans to construct a series of brick buildings, intended for use as a hall. Other planned features include a bowling green and a basketball area for girls.

"In order to finance this costly project, application is made for a lengthy lease of the ground", Mr Lavarto said.

Deputation

ALTONA's general purposes committee will meet a deputation of ratepayers from McIntosh Road, Altona North, to discuss a number of complaints, including sewerage, air pollution and street lighting.

Stamp Club To Be Formed

Plans were underway to form an Altona Stamp Club, Cr. R. K. Richards told Council on Tuesday.

He said notices calling the club's first meeting should be sent out in the next few weeks.

Historical Society Intend To Open Museum

Next Sunday, May 17, Altona Historical Society members intend to open the Altona Museum to the public from 2 p.m. to 4 p.m.

Residents are urged to take this opportunity of seeing the Society's exhibits.

But many relics and photographs of Altona's history could be added to the display.

It is felt that present residents may be able to provide valuable leads to the whereabouts of historical relics desired by the Society.

The Society does not wish to deprive people of articles still in use but wishes to learn of their whereabouts with a view to acquiring them in the future.

All donations of photographs and articles are duly marked with the name of the person who donated same.

There is much more to Altona history than the coal mine, the railway, the torpedo railway carriages with round windows and the sand dunes and wide beach which are well-known.

Many interesting items of an historical nature can be found in the Museum at the Homestead 128 Queen St.

Residents can learn more of this history at the meeting of the Society in the Society room at 8 p.m. on Wednesday May 20.

Crossing For Flats

Mr. R. Simmons, Altona's City Engineer, will report on the cost of providing a driveway at the Romawi St. entrance of the Blyth St. Housing Commission flats.

Mrs. L. Carruthers, the council's Home Help Supervisor, recommended the crossing when she reported to council on rent collection at the flats.

She said the crossing would allow the rent collector to drive his van off the street and would make transactions more private.

"I might add that this driveway would be of benefit to elderly citizens' bus when picking up passengers and returning them at the end of the day," she said.

Talks On Land Subdivision

ALTONA's general purposes committee will invite representatives of Seaholme Housing Estates to its next meeting to discuss a plan to subdivide 192 acres of land in Kororal Creek Road into two lots.

A Night Out For Beach Cleaners

This group of happy youngsters in front of the Mayor of Altona, Cr. Pat Burns, other councillors and adults were among the 180 who attended the presentation night in the Civic Hall for the wind-up of season 1969-70 of Operation Beach Clean. Guides, scouts, life savers, members of the Pedal Club and St. John Ambulance Brigades and Apexians all helped to keep the beach clean last summer.

the long jump with 16'3 3/4"
into a strong headwind.

Giannina Sardi entered in
8 events for 7 firsts and 1

times of 11.3 and 23.9, re-

EDITORIAL THE WESTERN SUBURBS

The Western Suburbs cover an area
of 710 square miles. Together they
represent 24% of the total greater Mel-
bourne area with 535,000 people, 24%
of the population and 21% of recorded
net annual valuation.

Included in it are the inner suburban
cities of Brunswick, Coburg, Essendon,
Footscray and Williamstown, four de-
veloping cities of Broadmeadows, Keilor,
Sunshine and Altona and three largely
rural shires of Bulla, Melton and Wer-
ribee.

Those in each of these groups are in
their own way meeting the problems
common to their stage of development,
and this is how it should be.

There are, however, certain aspects
calling for the constant appreciation of
municipal leaders and local parliamen-
tary representatives.

One is the unbalanced development
of the contemplated boundaries of
greater Melbourne. In this it is only
necessary to repeat that the Western
Suburbs cover 24% and the Eastern
Suburbs 76%.

The need for more higher education
facilities in the western sector has been
already stressed — so far without much
avail. With a population of nearly one
quarter of Melbourne, the Western
Suburbs must continue to demand pro-
portionate facilities.

Inevitably also the growth of air and
water pollution will call for more co-
operative and even concerted action by
our western municipalities. The recent
Williamstown oil drainage trouble shows
that municipalities can no longer remain
responsible to themselves alone.

In all these matters there is a case
for State Government action.

In the meantime reciprocal attitude
and action by local governments can do
much.

GIANNINA SARDI throws the discus a record 100' 6" in the under 15 event.

IS IT A DOORKNOCK BY ANOTHER NAME?

A request by Herb Elliot, on behalf of the appeal executive of the Queen Victoria Hospital, for permission to sell booklets from door to door in Altona has been referred to the council's General Purposes Committee.

"Reading between the lines this is certainly a door knock, though it's a different avenue for doing it," said Cr P. J. Lynch.

Mr Elliot told council that door knocks, although a financially rewarding form of fund raising, were considered by some to be an intrusion. Because of this, the hospital decided to raise funds by distributing a booklet of philosophies by television personality Eric Pearce.

He said the booklet, "Thoughts for Everyday Living" would be distributed by hand to every householder in the metropolitan area on Sunday, July 26. Donations from householders would be gratefully received.

Council also referred to its General Purposes Committee an application by the Salvation Army to conduct an appeal on July 5. No indication was given of what form the appeal would take.

Council granted permission to Melbourne Legacy for a badge day on September 4. Badges will be sold throughout the municipality and proceeds will help the organisation care for the widows and children of ex-servicemen.

DON SMALLGOODS OPEN NEW FACTORY

The \$1,500,000 Don Smallgoods factory in Blackshaws Road, Altona North was officially opened on Monday afternoon by the Minister of the Interior, Hon. Peter Nixon.

A representative gathering of some 400 guests were at the ceremony.

Among those present were Mr. H. McIvor, M.H.R., Hon. J. W. Manson, Minister of State Development, Hon. A. W. Knight, M.L.C., Mr. W. L. Floyd, M.L.A., the Mayor of Altona, Cr. P. A. Burns, councillors and executive officers of the City of Altona and representatives from associated industries.

The Manager of Don Smallgoods, Mr. Jack Gilbertson, in introducing Mr. Nixon, gave a brief resume of the spectacular rise of the Don Company. In 20 years it had risen from a small industry at the back of a shop to the establishment now to be opened.

After declaring the plant open, Mr. Nixon unveiled a plaque commemorating the occasion.

Cr. Burns was welcomed by Mr. Robert Gilbertson, Chairman of the Company.

Cr. Burns said he wished the company well. He said he was aware that Gilbertson's had such a fine record in regard to its avoidance of all forms of pollution.

He also stressed the benevolence of Gilbertsons in their donations to leading charities, particularly the Altona District Hospital and the Elderly Citizens.

After a tour of the plant afternoon tea finalised the ceremony.

PASSED EXAMS

Two local girls, Elizabeth Wright, of Beach Street, Seaholme, and Lucienne Thomson, of Rose Street, Altona, have successfully passed the Final State Examinations for General Nursing. They did their training at the Royal Melbourne Hospital and were two of the 52 nurses who graduated there a fortnight ago.

WILD GOOSE CHASE

For three evenings there is going to be the wildest goose chase in Altona.

On these evenings people can enjoy the biggest belly-laugh this community will have in years.

Altona Drama Group will present Derek Benfield's "Wild Goose Chase" at the Civic Hall on 18th, 19th and 20th May at 8.15 p.m.

For a riotous evening of hilarious laughter, you must not miss this show — a fast moving farce that will keep you laughing long after the show ends.

Tickets are available from Altona Toyland, Pier Street and at the door on the nights of performances. Adults 70c, children 35c. Come early to be sure of a good seat.

Unknown to many the ADG has enjoyed the use of premises in Upton Street, as a store and working area for holding and preparing the scenery used in many of its plays. The scenery for "Wild Goose Chase" was prepared there.

These premises have been freely available to the ADG through the generosity of Mr. Ross King who is about to move house. The ADG is extremely grateful for the use of these facilities and deeply appreciated being able to use them.

BOOST FOR RESERVES

ALTONA council will allocate \$1471 of unexpended loan funds towards reserves.

The money will be allocated as follows: Langshaw Res., playground equipment, \$200; Ginfier Res., playground equipment, \$200; McIntosh Res., filling and levelling, \$300; Ford Res., toilet facilities, \$571; Noordenne Ave., Res., \$200.

Work in a plan of development of the Bayside Estate Reserve, on the north side of Noordenne Avenue, will be carried out when funds are available.

The plan of development includes the reservation of land on the south west corner for a possible future kindergarten. The remainder of the Noordenne Avenue frontage will be used for playground equipment, the rear of the reserve will be grassed for ball games, and trees will be planted around the perimeter.

ENGAGEMENTS

STILES—EISFELDER

Mr. and Mrs. H. Stiles, Seagull Avenue, Altona and Mr. and Mrs. E. Eisfelder of Bendigo announce with pleasure the engagement of Christine and Brian.

A party to celebrate the engagement will be held at the Stiles' home on Saturday, May 16. There will be many visitors from Bendigo among the guests.

Christine is wearing a yellow gold ring with a deep set diamond.

THOMPSON—SIMPSON

Mr. and Mrs. J. K. Thompson of 73 Civic Pde., Altona have pleasure in announcing the engagement of their younger daughter, Wendy, to Alan, the only son of Mrs. M. E. Simpson, of 15 Banksia St., Ararat, and of the late Mr. W. A. Simpson.

PARKING AT POST OFFICE

Cr. H. Weaver has asked Council to restrict parking in three car spaces opposite Altona Post Office to 15 minutes duration.

"Since the new post office was constructed the mailing facilities have been relocated, and there are no restrictions opposite them," he said.

"Some cars park there all day. There would be 200 cars pulling up to go to the post office letter boxes each day, as well as those people who only want to post a letter."

"It's getting to a critical stage."

Cr. J. I. Stewart said 15 minutes was an excessive time for anyone to post a letter.

"I'd rather see the restriction five minutes — but who would police it?" he asked. "I feel a sign appealing to people's common sense would be better than a threat."

Val's Column

Hello Girls,

A beautiful skin is the most precious asset we can have girls! You can do something clever to make lips, eyes, hands and hair all seem better than they really are, but not so with skin.

A beautiful skin is a healthy skin. To keep your skin healthy, care for it, love it! You know that you simply must have a regular beauty programme for your skin. If you don't you will be ageing much too soon — at thirty — a terrible fate!

So plan a routine in skin care, exercise and diet. Every day it is absolutely necessary to cleanse, tone, moisturise and nourish your skin.

Yes all four! Cleanse away those specks of grime and makeup that clog your pores. Skin has to breathe freely.

A lot of modern makeups are not soluble in water; eye makeup needs a cleanser of its own. Very gentle, gentle cleansing. How exhilarating, tingling, refreshing — yes your toning lotion. Colour comes to your cheeks. Now you are ready for either daytime moisturising, or nighttime nourishing.

Never leave your skin bare. Replace the moisture the previous hours have extracted. Makeup is easier to apply, goes on smoother. Regular moisturising keeps skin young looking and supple.

Nourishing before bed with a cream or lotion that is usually a blend of oils and humectants (for moisture) and sometimes vitamins, and sometimes quite exotic extras that are good for the skin.

Dorothy Gray has a flowing liquid cream containing humectants and emollients that form a protective film all day — called Satura — a moisture lotion with Vitamin A. It is ideal for sensitive, and for very dry skins. Was awarded a Gold Medal from the International Society of Cosmetic Chemists.

To nourish — Satura Moisturising Night Cream. Once again with vitamin A. A moisturising cream for normal and dry skins. Contains new protective ingredients to soften, smooth and guard the skin from dryness.

Remember cleanse, tone, nourish or moisturise girls for a soft, younger living skin.

Bye.

"UPDATE SUBSIDIES" — COUNCIL PLEA

Altona Council will write to all Federal and State parliamentarians seeking regular reviews and updating of State Government grants and subsidies.

"Inadequate grants and subsidies from the State Government are eroding Council finances," said Cr. W. L. Crofts. "We must seek justice for the money paid out on infant welfare, pre-school centres, elderly citizens, the library and the home help, etc."

"Unless we continue to press for these things, we are not going to get anywhere."

"Unless we do get them reviewed the Council and ratepayers will have further financial burdens. The recent rise in the bank interest rate even affected some Councils less fortunate than we are."

"It's an unfair financial burden for any municipality to carry."

Cr. Crofts was supported by Cr. H. Weaver. "One fine example of the inadequate subsidies is our recent kindergarten," he said. "We spent \$30,000 and got a Government grant of \$6,000."

On a happier note Cr. Crofts reported that the Council had an accumulated surplus of \$10,000.

"This surplus should go on if we continue to exercise strict control over our finances," Cr. Crofts said. "We've been fighting over the last four years to keep our costs down."

"Our budget control has created a lot of interest in local government circles. We still get continual visits from other municipalities — including a visit recently by five senior members of the Melbourne City Council who wanted to see our system working."

"This is a credit to our executive officers."

Altona West Primary School

The Mothers' Club thank all the parents of the children who helped to make their Mothers Day stall such a success. A total of \$187.00 was raised, and this money will be used to provide more amenities at the School.

BROOKLYN WEST PRIMARY SCHOOL

With the forthcoming elections to be held on May 30, Brooklyn West Primary School will again be a voting centre.

The Mothers Club will hold a cake stall at the school, selling from 9 a.m.

Attractive Mothers' Day gifts were sold to pupils on the last Thursday of the term. Business was brisk and proceeds of sales will further add to school funds.

The date of the annual School Fete has been set for August 15.

A social evening held on May 1 at Mrs. Olwen Gordon's home was most successful, new and old members having enjoyed themselves thoroughly. A warm welcome is extended to any mother wishing to join the Mothers' Club of Brooklyn West.

A large number of wooden jig-saws used by Beginners' grades have, until recently, had pieces missing. Through the joint efforts of Mr. MacHardy, who made and replaced the missing pieces, and Mrs. R. Baker, who kindly painted the same, these are again available for use.

Best wishes are extended to Miss J. Brathwaite, teacher of Grade 3A, who will be married on May 9. She will return in Term 2 as Mrs. B. Kimpton.

Children and parents are reminded that Term 2 begins on May 19.

"TRACK DOWN POLLUTERS" — SAYS DR. REINEHR

"I'll press for a scientific investigation of the pollution problem, particularly as it affects the western suburbs where there is such a heavy concentration of industry," says Dr. Douglas Reinehr, endorsed Legislative Assembly Liberal candidate for Deer Park at the State elections on May 30.

Dr. Reinehr was commenting on the serious oil spillage at a Brooklyn industry that caused many thousands of dollars worth of damage to the paint work of valuable craft moored at the Royal Victorian Motor Yacht Club's anchorage at Williamstown recently.

"Williamstown might consider following the example of the South Melbourne Council, which I believe is appointing a special anti-pollution committee to take prompt and effective action on such matters," said Dr. Reinehr.

"I sympathise with Williamstown Council, through whose municipality oil and various other forms of waste products from other suburbs are passing through drains and being emptied into the Bay," said Dr. Reinehr. "It is grossly un-

fair that this council is being put to so much expense in tracing the source of all this pollution when it gets out of control."

Dr. Reinehr said that he could not find any record of the Health Department having prosecuted anybody for a breach of the Clean Air Act and it appeared that the buck had been passed to councils.

He will urge the appointment of sufficient inspectors to make sure that the present legislation is enforced.

"I want to make Melbourne a cleaner, quieter, safer and happier place in which to live, and I'll campaign with the utmost vigor for a better total environment — not so much for ourselves, but for our children and our grandchildren," says Dr. Reinehr.

He points out that the Lower Yarra Crossing and West Gate Bridge project

will bring many more people into the western suburbs every day, and the western and north-western areas will become an even more important segment of the metropolis than they are today.

The area was going to need more hospitals, main roads, schools and essential services, such as water supply electricity and sewage.

"I'm a good listener and I will not be afraid to use what influence I will have, if elected to Parliament, to champion local causes and fight against injustices, if and when they occur," said Dr. Reinehr.

"One of the good things about the self-employed medical practitioner is that he will not allow himself to be dictated to by anybody."

"My only bosses will be the people who elect me, and they can be assured of one thing — I'll fight for them with all the ability and energy I possess," declared Dr. Reinehr.

PHILATELIC SOCIETY

President Woodrow Wilson once said: "So many compensations reward the stamp collector that it is difficult to decide which is the greatest benefit to accrue from its avocation. After all the sheer delight which it affords justifies our interest and brings ample return to our effort."

Wilson surely knew what he was talking about, for he obtained so much satisfaction out of his stamps that he worked on them every night, before going to bed. Indeed, he even carried books of stamps to all his international conferences, just to "unwind".

Find out just what President Wilson was talking about, by coming along to a meeting of the Williamstown Philatelic Society. Stamp collecting is an ideal family hobby which can be shared by young and old.

The next meeting will be held on May 21 and will feature a visit and display by Footscray Philatelic Society members. Please remember to bring a plate.

Meetings are held on the third Thursday at 7.55 p.m. in the Williamstown Municipal Museum, Mechanics Institute, 15 Electra Street, Williamstown. Stamps are displayed, auctioned and sold at meetings. Visitors, whether adult or junior, are always welcome.

Altona Camera Club

At the Altona Camera Club's next meeting on Friday, May 15, there will be a guest speaker who will also give a slide show.

The May competition "Night Scene" should be well under way. Entries to be handed to the print steward on May 22. The June theme is very topical and should not be difficult to capture, it is "Wet Weather" so get busy.

For those members not present last week, a new syllabus has been compiled for the next six months and is now available.

The Altona Camera Club meets each Friday of the month (except the first) in "The Homestead", Queen Street at 7.30 p.m. Ring 398-1937 for further details.

Definitely No Commission

The Attorney General each year gives permission to the Footscray and District Hospital to conduct a Car Raffle in the area served by the Hospital. This car raffle is organised by the Hospital Helpers' Organisation.

The books containing the raffle tickets are distributed to business houses, industrial firms, organisations, auxiliaries, and individual persons, who undertake to sell as many tickets as possible.

Some people are under the impression that a commission is paid to the sellers of these tickets. This is absolutely incorrect, no commission whatsoever is paid to any ticket sellers.

The Hospital Auxiliaries have a stand in Nicholson Street most week days and Saturday mornings during April and May to sell tickets. Hospital Staff have a stand in Anderson Street, Yarraville every Saturday morning during those two months.

All helpers on these stands are volunteers and give their own time to help our Hospital. They also put up with much discomfort in the street on windy and wet days, just to help their hospital to provide that little extra patient care for which the Footscray and District Hospital is famous.

TPI SOCIAL CLUB

On April 29, 70 members had a Mystery Trip that took them along the Tullamarine Freeway through the Tullamarine Jetport then to Sunbury, to the Calder Highway to Woodend for lunch.

After lunch they proceeded to Lancefield to Kilmore (afternoon tea) then home along the Hume Highway. Everyone enjoyed themselves and voted it a good outing.

Sixty-nine members had an enjoyable afternoon at cards on May 7.

Card winners: ladies, Mrs. Winzar; gents, Mr. J. C. Miller.

Members wish all those ill in hospital and at home a speedy recovery.

Next card afternoon: 1.30 p.m. on May 21 in the Manchester Unity Hall, Footscray.

Ladies auxiliary meeting: 1.30 p.m. on May 14 in the Manchester Unity Hall, Footscray. All ladies are welcome to attend.

Currently, a Ford Falcon is being raffled for 20c tickets and closing date is May 30, 1970.

Tickets will be on sale every Saturday morning of May 16, 23 and 30 in Nicholson Street, Footscray and Anderson Street, Yarraville.

Outback Study Tour

Council of Adult Education is planning its sixth Outback Study Tour. A safari to the centre of Australia! Tours are provided, and a set of classes before departure for briefing on what will be seen on the trip.

Students will move in groups - Photographers with Peter Payens, who loves the Centre and has been on all the trips, Geologists with Marc Marsden, who lectures at Melbourne University and Naturalists with Jack Hyett and Bill King, who know all there is to know about the birds, plants and animals of Central Australia.

Meals are provided, camp style, and you take sleeping bag and tent for sleeping under the stars! Among places the Tour visits are Flinders Ranges, Coward Springs, Ayers Rock, the Olgas, the wonders of Ellery Gorge and Alice Springs.

The Tour costs \$270 (lectures included) or \$230 for full-time students and enrolment closes mid June so don't delay — if the spirit of adventure is stirring phone C. A. E. and ask for Deidre Nicholls or Sandra Clark to send a brochure. Telephone 63-4231.

Crossing The Blue Mountains

The anniversary of the crossing of the Blue Mountains fell this month. Blaxland, Lawson and Wentworth set off on their famous expedition on May 11, 1813.

According to World Book Encyclopedia, Governor Phillip originally called the mountains the Camarthen Hills and the Landsdowne Hills. But these names soon fell into disuse as people preferred the name Blue Mountains which described the distinctive bluish haze.

THE CURTAIN RISES

BY THISBE

The Williamstown Little Theatre's production of "The Recruiting Officer" was full of lessons for the theatre management.

They found that they need more than six to eight weeks to mount a production with several scenes and a large cast.

This year the Little Theatre has decided to stage only five shows with a break from May to mid July.

This break will make some time available for cleaning and taking stock around the theatre.

The Annual Meeting and a few social functions will fit into this space between shows.

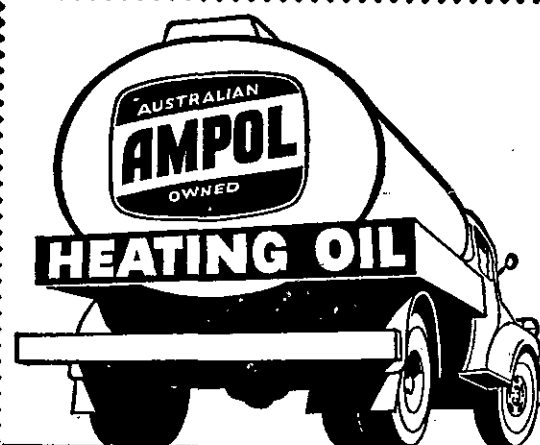

While these activities are going on the set building, scenery painting and making of costumes will have com-

menced on the Little Theatre's next production.

This year the Theatre's production is "The Duenna" from the comic operetta by Richard Brensley Sheridan, with music by Julian Slade.

This gay piece was produced at the Westminster Theatre, London, on July 28, 1954, when the part of "The Duenna" was played by Joyce Carey.

If you would like to take part in "The Duenna" why not come along to the casting on May 19 at the Theatre, 24 Albert Street, and meet Grahame Murphy who will be directing this exciting production.

THE WILLIAMSTOWN STATE ELECTORATE

From the beginning of responsible government in Victoria there has always been a Williamstown Electorate. Like others the composition of the area has changed from time to time due to the shifts of population.

When the quota for an electorate was much smaller than required to-day, most municipalities of city status had sufficient voters to make up an electorate. So for years, Williamstown and a part of Yarraville easily made up the number. In 1958 a radical change took place and a large part of Williamstown went over to the new Yarraville Electorate and the remainder combined with the whole of Port Melbourne and a part of South Melbourne to comprise Williamstown. (This was a sad blow for an old electorate like Port having to be part of Williamstown).

In 1961, another change took place. Yarraville was eliminated and Williamstown re-constructed to comprise the whole of the city along with a large part of the City of Altona and a small portion of the City of Footscray (South Kingsville area).

The same perimeter remains for the coming election the only small change being a new sub-division (Newport West). This comprises part of West Newport and part of Altona North. This sub-division operated in the last Federal election.

The following is a brief description of the area which comprises the Williamstown Electorate. If you reside within these boundaries, you are entitled to vote for both the Legislative Assembly (Williamstown) and Legislative Council (Melbourne West) candidates. If you live on the boundary streets and are not sure of your electorate, ring the Electorate Office, 81 Napier Street, Footscray, 3011 (68-6210). The electorate comprises the following areas: (1) All of the City of Williamstown; (2) That part of the City of Altona south and east of the following boundary: from a point on the seashore west of the Golf Club to the Geelong railway line, thence along the Kororoit Creek to McArthur Rd., thence down Millers Rd. to Mason St., thence east to Mills St., and Kyle Rd. to Watson St., thence east to New St. down that street to

Blackshaws Rd., thence east to the Williamstown municipal boundary at Stephenson St. (the other part of Altona is in the Sunshine Electorate). (3) That part of the City of Footscray enclosed within the following boundary — the pocket bounded by The Avenue, Stony Creek, Highgate St., Fidian St. and Derham St. The area bounded by Watson St., New St., Blackshaws Rd. and Stephenson St.

THE CANDIDATES
MR. W. L. FLOYD, M.P., OF WILLIAMSTOWN

Mr. W. L. Floyd — known far and wide as Larry — has represented the Williams-town area in the State Parliament since 1955 after winning a Pre-Selection contest against ten opponents in what has proved to be the last of this type of ballot. Since then he has withstood a couple of challenges at selection time under the present system of the Central Executive deciding the candidates.

Though in opposition all his time in the Assembly, a lot of small and large jobs have been accomplished for the electorate. The acquisition of the Rifle Ranges for housing, a Teachers' Training College for the Western Suburbs, and a large dock at Williamstown still remain as objectives which must come about in the next few years.

During his 15 years in the House, Larry has handled dozens of important Bills for the Opposition as well as leading a number of Censure and Adjournment Motions. Whilst even his opponents admit his ability to put up constructive and objective arguments, he invariably is asked to speak last on critical debates on Government administration "to put a bite in the tail".

Originally selected as Shadow Transport Minister, he swung over to Water Supply when Melbourne's water supply was disrupted by the drought. However, he still handles Transport and Port of Melbourne Bills in the Assembly for the Opposition. Secretary of the Parliamentary Labor Party since 1961 makes him part of the 5-man Executive along with the Leaders of the Council and Assembly. Was on the first Subordinate Committee formed for six years and for a similar period has been a member of the important Public Works Committee. He was the representative for the Victorian Branch of the Commonwealth Parliamentary Association Conference in London in 1961.

Larry has been a resident of Williamstown since 1919 and has rarely been out of some semi or public office since leaving the State School to take up setting type in the printing trade. He and Footscray identity Mr. Bill Jamieson started their apprenticeships the same day at Renwick Prides. During the war he was at the Government Printing Office working as a Reader.

Other activities have taken him through Friendly Society work, School Advisory Committees, President, Williamstown Historical Society, Secretary for years of the Old Williamstown Association with secretarial terms in junior cricket and football clubs and their Associations.

Perhaps the greatest thrill was being secretary of the Williamstown F. C. when it won the premiership in 1939 after being last in 1938. During his nine years in that office the club won two other pennants and was in the four most years. Prior to entering Parliament, Larry, was full-time secretary of the Carlton F. C. and for the past ten years has been the South Australian Football League's proxy delegate on the A. N. F. C. which meets regularly in Melbourne.

Elected to the Williamstown City Council in 1945, he served in the dual capacity of Member and Councillor for seven years but resigned in 1962.

Larry Floyd is certain to be wanted as a Minister should the A. L. P. be successful on May 30.

W. McDonald Candidate For Melb. West

The State Executive of the Liberal Party has announced the endorsement of Mr. William St. Cyr McDonald for the legislative council province of Melbourne West.

This province includes the state electorates of Footscray, Williamstown, Sunshine, Deer Park and parts of Gisborne. Mr. McDonald, 38, a state councillor of the Liberal Party is married with four school age children.

In an interview he stated that for far too long the western suburbs have lacked effective parliamentary representation where it counts most, and that inadequate and lukewarm representation in the past has left this as the Cinderella province of Victoria. No effective voice has ever been raised in the actual framing of policies or the allocation of funds for public works for this province.

He is deeply concerned at the lack of teachers training college to serve the western suburbs. With the higher education standards of today an increasingly large number of young people from this area are seeking to enter the teaching profession. Currently they have to receive their training from one of the seven colleges on the other side of Melbourne.

He is anxious to see the introduction of strict and easily enforceable pollution controls on industrial fall out, and to upgrade and revitalise the public transport systems within the area.

Child Care Centres Cause Concern

The Association of Child Care Centres has asked Williamstown Council to support its bid to have legislation amended to control child minding centres.

The Association told Council it had good reason to believe a large number of children in Victoria were still being minded in premises that were unsafe and unsuitable, by people who were not registered and without Health Department or other supervision.

"This means the centres have no standard to maintain, no staff requirements and are using weakness in the Health Department regulations, which were specifically introduced to see that proper premises and standards of child care were provided," the Association said.

"Therefore they are lowering the standard in registered centres."

Mr. Norm Way States DLP Policy

Mr. Norm Way, D.L.P. candidate for Williamstown, told a recent meeting of the Williamstown State Electorate Council of the party that the D.L.P. called for—

1. An immediate reduction in the wholesale and retail price of petrol.
 2. A Royal Commission into all aspects of the petroleum industry in Victoria, including marketing.
- The price structure of the industry has given rise to the present confusing and chaotic situation where petrol marketing should provide for—
- (a) Fair prices to the motorist.
 - (b) A fair return to the retailer who is usually an independent businessman forced to work very long hours.

Very soon Australian oil refineries will be processing Australian crude oil as the major part of their crude oil intake, but a situation has been reached where petrol from an oilfield of the highest grade found on Victoria's front doorstep costs more than petrol from the Middle East. Oil, which has to be freighted half-way round the world before it reaches the Australian refineries.

The bungling of a Government which has shown no initiative in the motorists' interests, has brought about higher petrol prices.

The five years pricing agreement which the Government has reached with the major oil companies on the pricing of Bass Strait oil contains several anomalies.

There is a clear case for an interim reduction in wholesale and retail petrol prices, pending the result of a Royal Commission into all aspects of the petroleum industry in Victoria.

— Responsibility for election comment in this issue is accepted by K. A. Neyland, editor of the Altona Star and Williamstown Advertiser, 101 Pier Street, Altona.

Cr. J. M. Byron asked the Chief Health Inspector, Mr. N. Hawthorn, to report on the matter.

"There are many points which vitally affect our city," Cr. Byron said. "There are a lot of centres in the city which are not proper child minding centres. These must be brought under control."

"I feel, though, that the Health Department is an anchor around the neck of the Association."

South Thirds Lose Again

By BOB DUNN

South were defeated by St. Kilda by 17 points, incurring their third successive loss.

South opened the game well, constantly driving the ball forward, but inaccurate kicking for goal let them down. St. Kilda notched up four quick goals, but Grima, Doherty and Davis goaled to level the scores. Subsequent goals from Pasquill and Kurth put South nine points in front at half-time.

St. Kilda scored early in the third term and South replied with another goal from Grima. Goals from Kurth and Doherty saw South 14 points up at three-quarter time.

St. Kilda opened the last quarter with three quick goals and South started to crumble. Carrodus goaled, but St. Kilda kept applying the pressure causing South to make many mistakes.

Lacking determination and a desire to get the ball, South wilted, enabling St. Kilda to score another four goals to seal the game.

Scorers: South Melbourne, 11-13-79; St. Kilda, 14-12-96. Goals: Doherty 3, Pasquill 2, Kurth 2, Grima 2, Davis, Carrodus. Best: Pasquill, R. Stibbard, Chalmers, Grima, Doherty, Nodzio, Tweedley (until injured).

SWINGING WORLD

With **RON COLEMAN**

MAX IS BACK . . . SO IS RON

Hi there Swingers! It is good to be back. And what a comeback. Max Merritt and the Meteors have released their first long playing record. It is brilliant, a knockout and you can win it this week.

All you have to do is name the bass guitarist from New Zealand who replaced Yuk Harrison in the Meteors after the LP was made. You stand a good chance of receiving this great record complete with groovy cover. Which reminds me we do have a spare jacket if anyone wants it. Runners up will receive either a single record by a local artist or free tickets to the next Garfield Speedway meeting.

This competition is not hard at all if you know anything about pop and it is the first of many to reintroduce this page to Swingers in Williamstown and Altona.

In only a short matter of time this record may even be a collector's piece. Who knows?

Max Off To United States

Max and the boys leave for the U.S. some time in July and they should have plenty of overseas bookings because their manager, Peter Raphael recently completed a world trip. Unfortunately the reception for Max's record clashed with the Beach Boys' concert at Festival Hall but enough people turned up to make it a party.

The reception commenced at the Southern Cross with drinks for all. Bobby Bright was talking to his record producer about the prospects of "Carroll County" attaining gold record status on sales in Sydney.

And Wendy Saddington inspired conversation when she announced her plans to join Jeff St. John and the Copperwines.

Dick Williams of "Hit Scene" fame said that television shows involving pop groups would continue to be mimed until Australian musos were professional enough to reproduce the same recorded sound on television.

Brenda Glover (Aesop's Fables) was a little too hoarse to say anything and no wonder. She was in hospital a couple of days later with pneumonia.

Jean Gollan was convinced that Australian groups who die because of lack of publicity have only themselves to blame.

With that the crowd shifted down to Berties where Max and the boys were delivering a superb rendition of numbers from their LP. They were ably backed by top musos from the Channel 9 orchestra and others they had found in conservatoriums and "what have you?"

Anyway the reception could have been better but Peter Raphael was the happiest I have seen him. So things cannot be quite so bad. The Australian Entertainment Exchange might just go ahead now that AMBO is dying a slow death.

Competition

Getting back to the competition; we want you to name the CURRENT bass guitarist with Max Merritt. He is married and he joined Max from New Zealand when Yuk changed groups a few months ago.

Post all entries to "Swinging World Competition", Altona Star, 101 Pier Street, Altona 3018.

And remember if you miss out on the LP you stand a good chance of winning a 45 single record or free tickets to Garfield Speedway.

Do not delay enter now. Results will be announced next week.

Behind The Scenes

Glad to hear that Brenda Glover (Aesop's Fables) is out of hospital after an attack of pneumonia. Terrible thing to happen to such a gorgeous girl.

Julie would like it known that the New Dream is the group for 1970.

Jimmy Howell is down from Sydney. Look out!

Bobby Bright would like a gold record for "Carroll County".

Chris St. Nicholas (now Chris O'Sullivan) sends his love from Maryborough, where he is a dee-jay with 3CV. But he expects to shift to Tasmania soon with his wife Liz and eight-months old son, Mark. Best of luck Chris.

Percy (ex Jamm) has sought political asylum in the Prahran area.

Another ex Jamm member, Jim McEwen, is off to America shortly, before returning to Australia after an absence of over a year. Bernadette and Barnett eh?

Go Set's John Gollan will be lonely at the Pub now that Wendy is joining Jeff St. John. Correction "has joined".

People must be tossing coins now on the Normie/Marcie romance.

Nova Express were a big hit at the Civic Hall last week.

One of Altona's IN children (dressed very smartly) was refused admission to the Williamstown Dance recently because he did not have a tie.

Ray Brown and his American group, Moonstone, will be appearing in Melbourne for a brief season.

New recording studio opening in Altona North shortly. What a scoop!

Marty Rhone got his wish. He is based at Balcombe as a band boy in the Royal Australian Army.

Even Normie did not get that kind of treatment.

Melbourne disco scene has never been duller. But we will live it up never fear. It appears that big bands and big concerts are all the rage these days.

Gerry Humphreys is still working around town but one never sees much of him.

Have you seen Mick Rodgers' trio Bulldog? I do not think they have the impact that the Procession had, Mick.

The Henchmen are still together. But only in name. Issy Dy was rapt in the fact that he made an appearance on IMT.

Dick Williams thinks Issy would have a great future if only he had a voice.

Best of luck to Gil Roberts in his attempt to become a solo artist. It is a long hard climb Gil.

Max Merritt's LP is gas, gas, gas.

Who did Suzette get engaged to anyway?

Flying Circus have a good sound.

Lionel And Johnny Cash ?

After his fight against Raul Cruz in Los Angeles on Saturday, Lionel Rose will head for Nashville, Tennessee.

There he may approach either Johnny Cash or Buck Owens to write a song for him.

Johnny and Buck are both friends of Lionel and Johnny Cash is very popular in Australia.

With Lionel will be Australian singer / composer, Johnny Young and Strangers' guitarist John Farrar. These two flew over to Los Angeles last Sunday so that they could barrack for their favourite Australian boxer.

If Lionel beats Cruz he will fight Sotelo in July but he has a busy schedule until then.

Next month he is off to Vietnam to entertain troops and he will have to maintain his singing stints in order to "plug" his current record release, "Please remember Me", which is already doing well in Melbourne.

Johnny Young is not sure whether Lionel will record, or not, in Nashville. "We're going over for the fight more than anything," he told me last week.

"And I might write a song with a boxing flavour for Lionel if the bout against Cruz gives me enough inspiration. But I am not that much of an egoist that I think I could write better songs than Johnny Cash."

Lionel is due to return to Australia a week after the fight in order to fulfil hotel commitments.

Gossip

Stan has sprouted a beard. Wonder when he will Peel it off.

Poor Dianne in a bingle recently.

It is no longer a secret that Peter and Yvonne are getting engaged.

Stevie and Gardie flew the flag for Altona at the Moratorium Day meeting.

Helen is alleged to have big plans for Max.

Ask Black Pete about "Dreamers" yellow canary. John Baron has traded in all shares he owned in the Altona Pier. He can afford to take Janice out now.

Somebody backed into Spickle's car outside the Footscray Bowl (or Footscray Pub) last week.

After purchasing a board and missing out on the championships at Bells Beach, Harry Van Dyke still awaits the arrival of a local wave.

Speaking of waves Mick the Barber gives good permanent ones. And he is almost broke. So get in now for a discount.

Garry E. is not too happy about that stolen car.

How is the job going Rob? Believe they are looking for caddies at Spotswood.

Grace and Cyril? I do not think Cyril would like that.

Tommy "One Goal" has been invited to a rather suave turn.

Poor Terry Howard is walking again.

Mick's snooker team has been branded as a pack of "Welchers".

LEON CONSTANAINOU WINS ANOTHER CYCLING RACE

Following his feat of gaining first placing and fastest time in last Saturday's 28-mile handicap conducted by the Williamstown Cycling Club, Leon Constanainou has a record that must be unique.

Since joining the club last July he has had seven starts on the road. His record at the present moment stands at four wins, one second placing, one third placing and three fastest times.

After having mechanical trouble in his debut with the club, he followed up by winning the "Bert Smith" memorial 60 miler then four weeks later took out the five mile combined clubs handicap held prior to the Sun Tour final stage. On the same afternoon he was a member of the victorious Williamstown team in the four mile teams pursuit.

This season Leon carried off first placing and fastest time in the initial club event, finished second in the "Bob Robson" memorial criterion, gained third placing and fastest time last week, and after puncturing early in last Saturday's 28 miles, he changed a tyre, picked up the field and out-sprinted them to prove his superiority.

After being caught three miles from the finish John Pryor finished second while Geoff Salter was third.

The two limit markers Winston Hendrichs and Martin Reynolds weren't caught until the final mile of the race and both can look forward to a win in the near future.

Navy Barracks For Fort Gellibrand

The Navy plans to build a modern brick barracks, to accommodate 300 officers and men, on a site in the Fort Gellibrand area, near Morris and Twyford Sts. and adjoining the Williamstown Cricket Ground.

The barracks will accommodate the crews of ships being refitted at the Williamstown Naval Dockyard.

The Navy plans to landscape the barracks' surrounds and provide off-street parking.

Late last month representatives of the Navy, the Commonwealth Department of Works and Williamstown Council met to discuss the proposed building.

The Navy will now submit photographic material to illustrate siting and design features and models to Council. Councillors have been invited to visit existing Naval barracks in other areas for inspections.

TOP W.S.F.L. SIDES CRUSH OPPONENTS

By WARDEN JAMES

The three top sides in Western Suburban football — Altona City, Newport and West Newport — all had percentage-boosting wins in the fifth round played last Saturday.

West Newport kicked the highest open score of the season so far when it crushed Brooklyn by over 260 points, but although it boosted their percentage considerably, they still remain in third place on the premiership ladder.

Newport, with Under 18 captain John Moloney, playing in his first game with the seniors, starting on the half forward flank, kept RAAF Tottenham goalless until the last quarter.

They had 10.9 to one point on the board in the first quarter and although Tottenham did not stop trying at any stage, Newport had too much class.

Another Under 18 lad in John Webster, who scored 6 goals, was also a dominating player, while former "veteran" coach Jack Evans, who is rumored to be in his 40's, starred all around the ground with brilliant marking and kicking.

Altona City centre half forward Gary Munro was the "architect" behind the

side's comfortable win against Laverton.

Munro, who recently returned from Vietnam, missed most of last season with a bad ankle injury, but has really hit his straps this year.

Another player having his first game on Saturday was Wes Jankewitz, who was a regular in the side last year. He has returned to play after a stint in the "bush" in his employment, and was quickly in to form.

The Maidstone-RAAF Point Cook was a close affair, with only a point separating the sides at one stage in the last quarter.

Point Cook "jumped" Maidstone at the start and had four quick goals on the board. Maidstone were seven points down at half

time, but fought back well in the third term to keep Point Cook scoreless.

Although 12 points ahead at three quarter time and with the wind in the last quarter, Maidstone had to fight hard before running out winners by 14 points.

Central Altona laid the foundations for its close win when it kicked six goals straight in the first quarter.

Werribee were never able to make up the leeway and went down by 17 points.

In Under 18 Altona A and Central Altona were level at half time, but Altona A finished much the better to win comfortably. Central didn't make full use of the wind in the first quarter and that proved their downfall.

West Newport proved much too strong for a physically smaller Laverton side and won by over 220 points.

In Under 16, Williamstown's Tony Fitzpatrick was reported for allegedly striking an opponent in the first

minute of the game against West Newport, but then went on to be his side's outstanding player.

Coupled with 6 ft. 3 in. ruckman Jim Hynes, who kicked 8.10 off his own boot, these two gave Williamstown the easiest of wins against West Newport.

Devon Park rover Ken Mason kicked four of his side's five goals with snappy forward pocket play, but Devon Park still went down to Altona in a low-scoring game.

HOCKEY TEAM SUFFERS FIRST LOSS

The Altona A Grade team suffered its first defeat of the season when they went down 3-2 to Camberwell.

The gravel surface at the ground at Camberwell proved to be too much of a handicap for the locals who fought back well from 3-1 down but were unable to score enough to gain points.

Camberwell were not a good side and did not match the locals in talent but were able to give Altona an object lesson in position play, particularly across the half line.

Peter Hunter scored from a penalty corner and Alan Baillie accepting a beautiful pass from Bruce Forrester scored the second.

Once Camberwell hit the front Altona committed suicide by failing to move the ball forward rapidly from free hits and by cross-passing in midfield.

Best: P. Hunter, R. Ford.

C North defeated Fair-

field, 7-0.

Playing away at Fairfield

Altona showed their

superiority with an easy win.

The whole team contrib-

uted with good position

play and teamwork, particu-

larly by the forwards.

Up and coming D Grade

player Peter Byrne put in

an excellent game along

with B. Smith, I. Bennet and

H. Doerner.

Goals: H. Doerner 2, I.

Bennett 2, A. Challis 1, and

2 from K. Robertson from

penalty corner.

D North were defeated

by Reservoir 2-1.

Altona were first into at-

tack but were unable to

score. Gradually the pace

began to tell and Reservoir

came into the game to score

two goals. One from a

penalty corner and one

from an on-side bully in the

circle.

From a good passage of

play, J. Forrester scored

Altona's only goal, but to

no avail.

Best: J. Mallett, G.

Downes, S. Jensen.

E North defeated RSOB,

2-0.

Altona applied continuous

pressure on Reservoir and

after a solid game came out

winners.

The conditions did not

suit Altona but they battled

they battled on to take top

position on the premiership

ladder.

At one end of the ground

Bill Duncan outmaneuvered

the goalkeeper to score two

gems of goals while at the

other end Altona's goalie

Bob Lenyszyn did every-

thing right.

The Hockey Club and the

E Grade team in particular

wishes Colin Mann a safe

journey.

and happy journey on the HMAS Anzac when she sails this week. It is hoped he enjoyed his brief stay at Altona.

Under 16 were defeated by Greensborough, 3-0.

Altona was caught napping in the early stages of the game and as a result Greensborough scored two quick goals. However from this point on Altona began to find their feet and were well on top at the final whistle.

The absence of regular keeper Alan Willett and a shocking number of "sticks" infringements cost Altona this game.

Best: S. Breen, S. Jensen.

Under 14 were defeated by Greensborough, 3-1.

Under 12 defeated Greensborough, 5-0.

On a ground where conditions were difficult, causing a lot of slipping and sliding, Altona managed to hold a 1-0 advantage at half time.

With some team and positional changes in the second half the forward played much better to score a further 4 goals.

ALTONA WINS THRILLER IN SOCCER

Altona City won the all important game against Keilor City by 2 goals to 1 at Kim Reserve last Saturday.

It was a grand game with the two teams playing entertaining soccer and the crowd that turned up enjoyed every minute of it.

Keilor kicked off and with a slight wind advantage set about testing the Altona defence. Ian Hynes defended well, backed up by Copley and Ormerod. It wasn't long before Karanatos and Ackers pushed the Marroons forward. "Smiler" Vanyper was going along in fine style and with Loughran supplying the brains it was the Keilor defence that was sending out SOS's.

Tommy Kean is settling in nicely. Altona appear to have a blend of speed and craft that will take a lot of beating.

Keilor's keeper was in grand form but he never saw a Vanyper drive that flew narrowly past the post but he dealt well with shots from Savage and King.

Keilor were more of a raiding side but how dangerous they were was proved when they broke away and scored the first goal of the game.

Robert appeared to misjudge a half-hit shot and Altona, who were having most of the play, found themselves one goal down. Last season this might have unsettled the Altona boys, but not so this season. Sleeves were rolled up and players worked harder than ever in an endeavour to reduce the leeway. However at half-time Keilor still hung on to their slender lead.

Altona maintained constant pressure on the Keilor defence. Loughran, Kean and Savage kept trying to find an opening in a solid defence.

Fast passing by the Altona forwards gave Vanyper a chance and Harry made the most of it as he whipped home a glorious goal.

Relentless pressure by Copley, Ormerod and Ackers kept Keilor pegged in their own half of the field and it was only a matter of time until Altona scored again. This time it was Ray King who belted the ball high into the roof of the net from close range and the Marroons had hit the front.

Keilor tried hard to level things again but Roberts and Hynes kept them at bay.

Altona kept the game open and the final whistle went to give Altona another valuable two points as they climb up the First Division ladder to be one point behind leaders, Box Hill.

The Reserve XI had a good win by 3 goals to 1. New boy Jimmy Allan had a successful debut. Bobby Molloy and Mark Kinden starred in defence while up front Cassar and Colbard were the best.

There are many more wins in store for the side as they are settling down to a regular team.

Next week Altona travel to Springvale. The Marroons have never won at the Vale's ground. There can be no easing up if Altona intend to keep their promotion hopes alive.

WESTONA LITTLE ATHLETICS

In "An Introduction to Little Athletics," printed by the Victorian Association, listed as one of the aims of Little Athletics is that they provide recreation to involve both children and parents, thus making it a family activity.

This was indeed in evidence on Sunday when the Altona Centre held the second inter-club competition.

The children thoroughly enjoyed the run and afterwards gathered around a campfire to have a hot lunch which was very capably cooked by the Dads.

Once again Westona children performed very well, although due to inclement weather not all age groups were represented.

Club members are reminded that cross country runs will not be cancelled because of bad weather.

Training is on Monday nights from Altona West State School at 5.30 p.m. and the first club championship will be at Cobblesticks Ford on Sunday, May 31, at 12 noon.

Inter-club cross country runs are on the second Sunday in June at 12 noon.

A progressive dinner, with profit going to Westona Club funds, will be held on May 30. Tickets available from Joy George (398-1140). Also ring that number if you would like to make a casserole or sweet to help with the catering. Parents are invited to attend and get to know the people with whom you entrust your children during the athletics season.

Parents are reminded that the Altona Centre's Annual Meeting will be held on Thursday, May 14, at 7.45 p.m., at Seaholme School Library.

ALTONA LIFE SAVING CLUB

The monthly Executive Meeting was held in the Clubhouse last Tuesday with Mr. R. Edwards presiding.

The Chief Instructor, Mr. R. Bailey, reported that there was a fall off in attendance for swimming training on Monday nights, due mainly to the cold weather and so this aspect of training would be discontinued after Monday, May 11, until the Spring. The games and sports night would be changed from Wednesdays to Mondays from 7 p.m. to 8 p.m.

Mr. Byrne said he attended the Beach Clean function on April 28 with other members of the club. He gave the good news of the possibility of \$100,000 being provided in the Council's 1970-71 Estimates for the purpose of commencing work on a swimming pool.

Mr. Byrne represents the Life Saving Club on the Swimming Pool Committee. This is indeed good news as it is something the life savers have pressed for a long time.

TESTIMONIAL

A testimonial function was held at Contis, Elwood, on Friday, May 1, for Mr. E. A. Pleydell who recently resigned from the Secretaryship of the Royal Life Saving Society after nearly 40 years in office. Mr. Pleydell's resignation was due to ill health.

Mr. Byrne was invited to attend with Mrs. Byrne but had to decline at the last minute through indisposition.

WORKING BEE

A working bee will be held on Thursday, May 21, to clear up the hall and toilet facilities, etc., in preparation for the Presentation Night on Saturday, May 23. All committee members and seniors are requested to give a hand if available.

NEXT EXECUTIVE MEETING

The next Executive Meeting will be held in the clubhouse on Tuesday, June 2, at 7.30 p.m.

DONATION

A donation from Metropolitan Dairies for the purchase of a trophy is gratefully acknowledged.

Social Football

Williamstown Methodist Football Club has applied to Council for permission to use Fearon Reserve on Queen's Birthday (June 15) for a social match between past and present players.

Council's Reserves Committee will consider the request.

ANNUAL MEETING

The annual meeting of the Altona Pirouette Amateur Synchronised Swimming Club will be held at the home of the President, Mr. Bruce Antonoff, 91 Blyth Street, Altona (next to Kindergarten) on May 21 at 8 p.m.

New Office-Bearers will be elected for the 1970-71 swimming season.

Any enquiries please contact secretary, Mrs. Jean Klampfl, 398-1264.

New Gym. Instructor

Altona Youth Club has a new instructor for boys' gymnastics.

He is Mr. Don Gabriel who has been with the Williamstown Club for a number of years.

Each Monday evening he will take a class at Altona from 7.30-8.30 p.m. for intermediate boys.
